RECOMMENDATIONS

“During his time at Fraynetwork Johnny has proven to be a true leader in front-end development and has constantly risen to every challenge that has been thrown his way. Johnny has a terrific eye for detail and truly excels in the areas of interaction design, responsive web design and mobile web development. He also has a terrific work ethic and a curious nature, which has made him a delight to work with and a pivotal member of our team. In addition to completing all of his projects with a high level of quality and a minimum of fuss, Johnny has also provided leadership within the team and provided a great deal of assistance to other developers and designers and helped grow the capacity of the group.”

Steve Darmody

Director of Interactive Media, Fraynetwork Limited

managed Johnny since 2011

“Johnny made animated banner ads and graphics for Oodles on a number of occasions. I found him to interpret the briefs with a creative mind set and thereby improving on the original concept. Also very timely and the quality of the finished artwork and graphics were always of high quality. I recommend Johnny to others seeking creativity, quality and value for money.”

Steve Sherlock

Founder, Oodles.com

hired Johnny as a Graphic/Web Designer in 2009

“I have worked with Johnny in the development of educational multimedia products. He is an outstanding designer and has a great ability to translate the client's design requirements and brief into the end design. I highly recommend him for creative design roles.”
