## RECOMMENDATIONS

*During his time at Fraynework Johnny has proven to be a true leader in front-end development and has constantly risen to every challenge that has been thrown his way. Johnny has a terrific eye for detail and truly excels in the areas of interaction design, responsive web design and mobile web development. He also has a terrific work ethic and a curious nature, which has made him a delight to work with and a pivotal member of our team. In addition to completing all of his projects with a high level of quality and a minimum of fuss, Johnny has also provided leadership within the team and provided a great deal of assistance to other developers and designers and helped grow the capacity of the group.* ”

**Steve Darmody**

**Director of Interactive Media, Fraynework Limited**

managed Johnny since 2011

---

*Johnny made animated banner ads and graphics for Oodles on a number of occasions. I found him to interpret the briefs with a creative mind set and thereby improving on the original concept. Also very timely and the quality of the finished artwork and graphics were always of high quality. I recommend Johnny to others seeking creativity, quality and value for money.* ”

**Steve Sherlock**

**Founder, Oodles.com**

hired Johnny as a Graphic/Web Designer in 2009

---

*I have worked with Johnny in the development of educational multimedia products. He is an outstanding designer and has a great ability to translate the client's design requirements and brief into the end design. I highly recommend him for creative design roles.* ”
